

Donations

Last Updated Monday, 27 December 2010 22:53

The range of possible items which can be exhibited at AirBeluga.de is huge and unfortunately I cannot have everything in my own collection.

If you like to donate stickers, postcards, stamps, etc. then please don't hesitate to leave me a short note with an overview of what you have.

Of course, the sponsor will be published with the item.

Please use the [contact form](#) to send me your message.

Many thanks in advance.
