

First of all: Thank you for visiting AirBeluga.de.

Meanwhile nearly 1300 different Airbus stickers have been published. Most from Airbus itself and some from other sources.

Now you can discover the world of Airbus stickers at AirBeluga.de and you will find all the information about the famous

Airbus stickers as well as in-depth explanations of individual stickers and their variations

And because most of you collectors are not only interested in Airbus stickers other collectables of the wide range of aviation will be displayed and described as well.

Such as:

- Stickers from other manufacturers, e.g. Boeing, British Aerospace (BAe), Dornier, etc.
- Aircraft sales brochures
- Airline brochures
- Postcards
- Stamps illustrated with aviation motifs
- First flight covers
- And many more....

Stay tuned for more updates!
