

Hot news from France and Switzerland!

Two rare stickers have been discovered during the past couple of months: [Olympic Air A320](#) and the new

[Edelweiss Air A330-300](#)

. The greece sticker should be from the end of 2009 or early 2010 when Olympic Air received some brandnew A320s while the swiss A330-300 has been given to Edelweiss Air this February during delivery of their new aircraft.

The stickers were not issued to the public. So it will be quite difficult the find them for your collection.

Follow the links above for a detailed view.
